

Custom Email Delivery Template

eCode Template Requirements

- 1 A logo and/or header**
(jpg, eps or png required)
Please send with 600px wide dimension. If none is supplied a solid color background will be used with the logo.
- 2 Email Subject Line**
Preferably less than * words
- 3 Desired "friendly from"**
Who do you want to present as the sender of the email?
- 4 Body copy**
Include an optional salutation, followed by a short welcome paragraph.
- 5 Signature**
Provide the name of the individual or company that you want to appear as the author of this email.
- 6 Desired colors**
Hex codes are preferred. If no colors are provided we will use a color pulled directly from your logo.
- 7 Marketing message**
Include an option marketing message directing the recipient to more information about your company or program. Include a link to direct them to a website.
