

Direct-to-Recipient Fulfillment

At NGC, we take the worry out of gift card fulfillment because we make the process virtually effortless! Tired of maintaining your own secure inventory of gift cards and being responsible for fulfilling them? By partnering with NGC, you don't have to!

- **Accuracy** – We maintain strict quality assurance controls to ensure complete accuracy and give you the peace of mind of knowing that the right gift cards are going to the right recipients.
- **Capacity** – With the ability to run 30,000 plastic cards or unlimited eGift cards each day, we can accommodate any order.
- **Delivery** – We give you a choice of customized shipping options so you can choose the delivery timeframe that will help you achieve your goals.
- **Personalized** – Each letter is personalized to meet your gifting needs.
- **Security** – Our applications reside in a tier 4 data center with a remote backup to ensure maximum uptime, data access, and reliability. PCI Compliant procedures ensure that our customer's data is handled to the *highest level of security*.
- **Visibility** – Customer Service just got easier! Log on to our Individual Fulfillment Ordering System (IFOS) where you can check on the status of any order, at any time, in real time.
- **Zero Inventory** – We maintain an extensive inventory of gift cards in our secure warehouse so you don't have to.

Yes, we really do make the process that easy for you.

Simply send us
a list of your
recipients and
the gift cards
you would like
them to receive.

That's it.
We'll take it
from there.
