

ngcrewards

Our ngcrewards program allows your recipients to pick their gift card(s) through our proprietary website, ngcrewards.com. They'll love to "shop" for their favorite gift cards and you won't have to maintain inventory!

- **Control** – You have the option to pre-select a list of gift cards from which your recipients can choose.
- **Customization Options** – We can personalize our ngcrewards website and reward cards with your company logo, theme and message.
- **Freedom of Choice** – Giving recipients the power to choose their own rewards makes them much more meaningful.
- **Superior Customer Service** – Our customer service team is always available to assist you.
- **Tiered Pricing** – Ask about our multiple fulfillment and shipping options.

How does ngcrewards work?

Step one:

You purchase reward codes from NGC and distribute them to your recipients via email or custom cards.

Step two:

Your recipients' enter their reward code on www.ngcrewards.com to select their gift card(s).

Step three:

We send the gift cards directly to your recipients via first class mail or email. That's it!
